Section 1 – Introduction

This directory provides a list of Physicians United Plan’s (PUP’s) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). The term “PCP” will be used throughout this directory. PCPs are family practitioners, general practitioners or internal medicine doctors. Generally, you must get your health care coverage from your PCP. Your PCP and his/her care team will provide most of your care and help coordinate the rest of the covered services you get as a member of our plan, including referrals to specialists. Your PCP is your “medical home”. If you do not choose a PCP, we will assign a PCP to you based on where you live. You may change your PCP at any time.

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory; however, all specialist visits require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Please advise the non-network provider to bill us directly. If you are billed by a non-network provider, you should not pay the bill. Send the bill to us; we will process the bill, pay the provider directly, if appropriate, and let you know your co-payment.

Some of our network PCPs are part of a medical group that also includes specialists. If your PCP belongs to one of these medical groups, your PCP will generally refer you to specialists who are in the same medical group. If you need a specialist not available within that medical group, your PCP will refer you to another specialist in the PUP network. Our Provider Directory identifies these PCPs and the specialists within their medical groups. If you select a PCP who belongs to one of these medical groups, it is important to remember your choice limits you to the panel of specialists who are affiliated with that medical group.

In addition to giving you referrals to specialists, when needed, your PCP (or specialist in some cases) will obtain prior authorization (approval in advance) from us for certain services and items, such as elective hospital admissions, MRI/PET scans, etc. For a complete list of the services that require our approval in advance, please refer to your Evidence of Coverage.

If a specialist recommends certain tests or procedures, or wants you to see a different specialist, please make sure those services will be covered by checking first with your PCP. Your PCP must give you another referral or obtain prior authorization from us for the additional service(s).

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor PUP will be responsible for the costs.

Emergency care can always be obtained in or out of the service area from the nearest available provider. You may get covered emergency medical care whenever you need it, anywhere in the

United States. Our plans also cover emergency services outside the United States. Limitations apply. For more information, see the medical benefits chart in Chapter 4 of your Evidence of Coverage.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

However, after the doctor has said that it was not an emergency, we will generally cover additional care only if you get the additional care from a network provider or the additional care you get is considered “urgently needed care”. “Urgently needed care” is a non-emergency situation when:

- You need medical care right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.
- Because of the situation, it isn’t reasonable for you to obtain medical care from a network provider.

Whenever possible, you must use our network providers when you are in the plan’s service area and you have an urgent need for care.

In most situations, if you are in the plan’s service area, we will cover urgently needed care *only* if you get this care from a network provider. If the circumstances are unusual or extraordinary, and network providers are temporarily unavailable or inaccessible, our plan will cover urgently needed care that you get from a non-network provider.

If you are temporarily outside our plan’s service area, but still in the United States and cannot get care from a network provider, our plan will cover urgently needed care that you get from any provider.

Our plan does not cover urgently needed care if you receive the care outside of the United States.

What is the service area for Physicians United Plan?

Brevard, Broward, Hillsborough, Lake, Marion, Miami-Dade, Orange, Osceola, Palm Beach, Pasco, Pinellas, Polk, Seminole, and Sumter.

How do you find Physicians United Plan providers in your area?

PUP providers are listed by county and specialty in Section 2. The PCPs are listed first, then specialists are listed by specialty type in alphabetical order (Cardiology, Chiropractic,

Endocrinology, etc.), then hospitals, skilled nursing facilities, behavioral health providers and “ancillary” providers (ambulatory surgical centers, durable medical equipment suppliers, home health agencies, etc.). Providers identified with an asterisk also accept Medicaid.

PUP has arranged with Liberty Dental Plan to bring you the Guardian Network and to provide the dental services included in your benefit plan. To find a dentist or to get help in scheduling an appointment, you may call 1-888-700-1667, 8:00 am to 8:00 pm, Monday through Friday.

PUP has arranged with Advantica Eyecare to provide the vision services included in your benefit plan. You do not need a referral from your PCP or from PUP. The optometrists in this network are listed in this directory. The ophthalmologists in our network can be found by calling Advantica Eyecare. Call toll-free at 1-888-787-8476, Monday through Friday, 8:30 am to 6:00 pm, or Saturday, 10:00 am to 5:00 pm.

PUP has arranged with Healthways to bring you the Silver Sneakers program. You do not need a referral; however it is advisable to speak with your PCP before starting any exercise program. The fitness centers in this network can be found by calling Healthways. Call toll-free at 1-888-423-4632, Monday through Friday, 8am to 8pm Eastern Standard Time. Or, visit their website at www.SilverSneakers.com

PUP has arranged with Psychcare to provide the behavioral health services included in your benefit plan. You do not need a referral from your PCP or from PUP; simply call Toll Free: 1-888-624-0787, 24 hours a day, 7 days a week.

Pharmacies are included in Section 3.

To find a PUP provider or pharmacy in your area, or for updated directories, you may also visit the www.UaskPUP.com website, and use the Provider or Pharmacy search links.

If you have questions about PUP or require assistance in selecting a PCP, please call our Customer Service department at 1-866-571-0693, 8:00 am to 8:00 pm, Monday through Sunday. TTY users should call 1-800-955-8771 or 711. Or visit www.UaskPUP.com.

Section 3 - Pharmacies

This booklet provides a list of PUP's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about PUP's network pharmacies in your area, please visit our Web site at www.UaskPUP.com or call our Customer Service at 1-866-571-0693, 8:00 am to 8:00 pm, Monday to Sunday. TTY Users should call 1-800-955-8771 or 711.

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2013.

Introduction

This booklet provides a list of PUP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and PUP's formulary. If you have additional questions, please call our Customer Service at 1-866-571-0693, 8:00 am to 8:00 pm, Monday to Sunday. TTY Users should call 1-800-955-8771 or 711. Or, visit www.UaskPUP.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by PUP. In most cases, your prescriptions are covered under PUP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
