## Physicians United Plan (PUP) shows outstanding commitment to senior community by upgrading local adult day care center

OVIEDO, Fla. – (August 3, 2010) Physicians United Plan (PUP) employees along with friends and family will be volunteering their time on Saturday, August 7 to restore the Share the Care adult day care center in Oviedo. Share the Care has been providing adult day care and respite for frail, physically, and/or cognitively impaired adults since 1986. At the center, clients can watch movies and play games in a social environment 5 days a week.

PUP volunteers will work together to paint, clean, renovate and install upgraded storage and furnishings to the center, including a brand new media center and garden area. Last year, over fifty PUP volunteers gathered to revamp the downtown Orlando Share the Care location.

“Share the Care is an amazing organization and they have done so much for our community for so long. We’re thrilled to be able to help in any way we can,” says Shawn Holt, Vice President of Sales and Marketing for PUP.
